

SPICER®

Commercial Vehicle Spicer ReadyPack™ Preassembled Kits

Driveshaft, Coupling Shaft,
and Interaxle Shaft Assemblies

EXPANDED COVERAGE!

- Service-Free Options
- SPL® Builder Kits

Professionally Preinstalled Kits Save on Time, Labor, and Cost

Save time, money, and shelf space with Spicer ReadyPack™ preassembled kits for driveshafts, coupling shafts, and interaxle shafts. Out of the box, the Spicer ReadyPack kit arrives with professionally installed SPL® u-joints in the yoke shaft and in the tube yoke, already packed with production grease and sealed with the multi-lip seal.

SPICER®

ReadyPack™ 

SPICER®

ReadyPack™

Spicer ReadyPack™ Preassembled Kits Deliver Convenience

On your next rebuild, don't waste time and money ordering individual parts, or waste space on inflated inventory. With Spicer® ReadyPack kits, you get the guarantee that your shaft is built using only Genuine Spicer parts. Add in streamlined ordering and savings on inventory, labor, and your total investment, and the choice is easy.

NEW

SPL® Lite Kit (See Part Listing for Details)

(Representative images shown below).

U-Joint

Boot

SPL Lite Midship

Tight Joint
